Subject: Reliance Jio - Campus Connect Program

Respected Sir,

Greetings from Reliance Jio !!!

As you might know, we in Reliance Jio have embarked on a journey of Digital India Movement.

To further this endeavor, we have launched **Campus Connect Program**, whereby we would be connecting with all the colleges in our area of operations and build a talent pipeline readily available for absorbing into our workforce. This is important to ensure an ecosystem which would help sustain this Digital India Movement.

We are really privileged that we have been able to connect with your esteemed college for the above said Campus Connect Program and would like to organize the Campus Connect program at your Campus.

This time, we would like to engage with your college for the specific requirement of '**Digital Home Specialists**' for the **Jio GigaFiber Vertical** at English Bazar, Malda Jio Center area.

This would be an Internship Program for 3 Months with Stipend + Incentives.

Through this program, students would be benefitted through:

1. Opportunity to Learn while earning with the most popular brand of India.
2. Getting 'Multi-Skilled' – leading to more opportunities in future.
3. Work Close to Home Location.
4. Internship Certificate from the biggest brand.

We would be looking at Students who are in 2nd Year / 3rd Year of their course in the college.

These students would undergo training and certification before deployment and would be engaged in extensive marketing activities with us for a period of 3 months, working 4 hrs per day (2 Hrs in the morning and 2 Hrs in the evening);

For further details, we would like to meet you and discuss and if you permit, we would like to do the Pre Placement Talk and the Selection process of interested candidates on the same day, sometime in this week itself.

I am attaching the Pre Placement Talk Presentation for your perusal and look forward to meet you.

Sub: Organizing a Career awareness Seminar on the prospects of Government jobs & Free Demo classes for the preparation of competitive examinations

Dear Sir,

At first I would like to congratulate you for your immense contribution in the field of education. Your continuous endeavours to enrich the students with your knowledge & efforts have established the students in their career & thus would lead them to a bright future.

We would like to introduce ourselves as one of the most revered brands in Eastern part of India as far as the educational domain is concerned.

The Educational icon Mr. Sami Ray is described as a prodigy par excellence by the intelligentsia and even by the fourth estate, a true visionary to the core, has been able to change the total concept of education in the eastern fringes of India.

RICE Education is an organization that has been serving the students of the West Bengal for the last 30 years and this has been a dream come true where hundreds and thousands of careers are shown the right direction. Since the year 1985 over 3 decades, we have been imparting training for various government job examinations. From our experience we have realized that there exists a huge lack of awareness about career prospects in government jobs especially amongst the students of West Bengal. As a result most of them do not get proper motivation, information and career guidance in the field of competitive exams.

RICE Education being a pioneer institution has now taken the initiative to spread career awareness on government jobs through various seminars, orientation classes & aptitude tests for the students those who are Under Graduate/Graduate.

Students attending these seminars can get all relevant information regarding government jobs.

The Seminar/ sessions would cover the following areas:

- ✓ Finding Career & Course direction after Schooling .
- ✓ Employment Scope in the Government Sector.
- ✓ Discussion on different examinations conducted.
- ✓ Syllabus & question pattern.
- ✓ Method of preparation through Demo Classes.

In this regards we are seeking permission from you to conduct a Seminar on your premises on the date of 29.11.2019.

We believe that this seminar will reach them enough and help them to be successful for high profile jobs through WBCS, CGL, BANKING JOBS, SSC, PSC and so on.

We look forward to a more enriching association with your Institution and assure you with the best services in all times and expect a strong participation of your students in this seminar.

We look forward for you positive response.

Regards,

Soumen Pahari
